

Hello Sharon!

My name is Michelle Taylor and I am an elementary music teacher at Penn Manor School District in Millersville, Pennsylvania. I just wanted to take a moment to thank you for all of your hard work in developing the Freddie the Frog series. I have used all of your stories now for 3 or 4 years and I recommend them to every music teacher I know. I think they are just wonderful!

I really want to commend you on your latest addition, Beyond the Books. This is exactly what I have been waiting for. The detailed description of what you do to engage students in learning is superb and the additional clip art, coloring pages and assessments will enhance my teaching even more. I cannot wait to use these new suggestions with my students!! :o)

I am a huge fan of your work and more importantly your creativity. I spent years trying to come up with a different way to teach the notes of the staff and your book series was exactly what I was looking for (and more!). Thank you from the bottom of my heart for sharing your ideas and for putting forth that extra effort to make this available to educators like me. Please know that you are making a difference for kids and music teachers everywhere.

Thank you again so very, very much!
Have a great day!! :o)

Sincerely,

Mrs. Michelle Taylor
